Disciple Now 2023

PRODIGAL

Lost. We've all been there. And we'll probably be there again.

Jesus was pointing to that truth when

he told the story of the Prodigal Son (Luke 15:11-32). When he compared the brothers in this story, Jesus

showed us that there are two kinds of lost people: those who know they are lost and those who don't. He wanted us to know that there's more than one way to be lost and wandering from him.

Thankfully, he also gave us a way to come back home; not through rule-following or self-righteousness, but by receiving our heavenly Father's unconditional love.

Wherever you're wandering, are you ready to come home?
